Wonderful Country Style Villa With Sea Views

This lovely villa is set on top of a hill overlooking Vale Judeu. Constructed in 1995, this traditional style villa exudes an old-world charm, with lovely features. Exposed beam and cane roofs, open fire bbq on the outside terrace and a traditional French farmhouse kitchen. While sitting on the outside terrace, overlooking the gardens and pool area and 180 degrees of coastline, the tranquility and the feeling of space around you is truly inspiring. Down at the pool level, there are 2 large rooms, currently being used as games rooms and storage, but can easily be converted in to further bedroom suites or a self-contained apartment. The property is set on a 4000m² plot, with electric gates and a swooping driveway to the villa. A further 5000m² to the side of the property lends itself perfectly for a tennis court, or to extend the already sumptuous gardens. - REF: V573
