Unique investment opportunity for an approved project in a premium location in Faro

Situated next to the prestigious Lethes Theatre, in a premium part of Faro city, is this terrific investment project.

Consisting of an approved project to construct 2 attached villas, one T2 & one T6, both with their own garages, this project would make a fantastic investment either to construct and sell or to rent out in the future with Faro being a thriving location for both holiday-makers and locals alike.

Property Features
